AMENDMENT

Honorable Commissioner of Patents and Trademarks
Attention: Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This amendment is being filed in response to the Notice to File Corrected Application Papers dated May 1, 2002, and includes an Abstract of the technical disclosure as required under 37 CFR § 1.72(b). Please amend the application as follows:

IN THE ABSTRACT:

Please add the following Abstract of the Disclosure:

ABSTRACT OF THE DISCLOSURE

A barrier movement operator system having a receiver for receiving, learning and responding to transmitted rolling code type access codes; at least one trained transmitter for operating the system by transmitting a rolling code type access code to the receiver; at least one learning transmitter for learning the rolling code type access code from said trained transmitter in order to operate the system; a controller for evaluating the relationship between the learning transmitter rolling type access code and the trained transmitter rolling type access code; and a
